Dear Dr. Supandi,

Journal of Pharmacy and Bioallied Sciences has received your manuscript entitled "Docking Studies and Molecular Dynamics Simulation of Ipomoea Batatas I. Leaves Compounds as Lipoxigenase (LOX) Inhibitor" for consideration for publication. The reference number for this manuscript is "JPBS\_103\_20". Kindly quote this in correspondence related to this manuscript.

The manuscript is being reviewed for possible publication with the understanding that it is being submitted to one journal at a time and have not been published, simultaneously submitted, or already accepted for publication elsewhere either as a whole or in part. Online submission of this article implies that the corresponding author has the written consent from all the contributors to act as corresponding author.

You are requested to send the signed copyright/contributor form within two weeks. The form can be uploaded as an scanned image from your area. Please note that good quality images (digital or hard copies) will be required to be sent at the time of acceptance of the manuscript.

The Editors will review the submitted manuscript initially. If found suitable, it will follow a double-blinded peer review. We aim to finish this review process within a short time frame, at the end of which a decision on the suitability or otherwise of the manuscript will be conveyed to you via this system. During this process you are free to check the progress of the manuscript through various phases from our online manuscript processing site <https://www.journalonweb.com/jpbs>

The journal allows free access (Open Access) to its contents and permits authors to self-archive final accepted version of the articles on any OAI-compliant institutional / subject-based repository. The journal does not charge for submission but author need to pay publication charges imposed by publisher after the manuscript is accepted by editors. Further, to strengthen the journal, the corresponding authors are requested to take subscription to the journal either print/online or both and recommend it to their institutional library.

Also, visit [www.jpbsonline.org](http://www.jpbsonline.org) for more details on journal.

We thank you for submitting your valuable work to the Journal of Pharmacy and Bioallied Sciences.

Yours sincerely,  
Editor

Dear Dr. Supandi

With reference to your manuscript entitled "Docking Studies and Molecular Dynamics Simulation of Ipomoea Batatas I. Leaves Compounds as Lipoxigenase (LOX) Inhibitor", please review the comments of the referees from our site <https://www.journalonweb.com/jpbs>. The manuscript would be reconsidered after requisite modifications as per the comments and instructions provided by the journal.

If you wish to continue with the publication process, kindly make the changes according to the comments and upload the revised manuscript from the site along with the point to point clarifications to the comments indicating clearly where in the manuscript the changes have been carried out (mark all changes in red or use track changes). Do check the FAQ related to replying to the comments and uploading a file. The contributors' form/images should be uploaded online.

The journal allows four weeks for the revision of the manuscript. If we do not hear from you within this period, we will consider it your non-desire to continue the article with us. Please also note that submission of revised article does not guarantee its final acceptance by the journal.

Verify all the references from 'Check References' facility under 'New Submission' from this site. The style as well as bibliographic elements should be 100% accurate to get the references verified from the system. Consult the journal's instructions for exact style of citing references.

Providing the references in correct style with accurate bibliographic details is authors' responsibility.

We thank you for submitting your valuable research work to Journal of Pharmacy and Bioallied Sciences.

With warm personal regards,  
Editorial Team
