Title

EFL Teachers' Strategies in Teaching Reading Skill in Lower Secondary School

Subtitle**Abstract**

B *I* \times^2 \times_2            

Reading is a receptive skill that students require, and it takes work to teach reading. Thus, teaching strategies for reading skills attracting students' interests are the keys to better reading comprehension. This study aimed to investigate EFL teachers' strategies in teaching reading skills in lower secondary schools, how they implemented the strategies in teaching reading comprehension, and the student's responses. The method of this research was a qualitative design. The subjects of
