

Yogyakarta, June 17th, 2024

Dear Authors,

Congratulations on your paper acceptance to IJID, Vol. 13, No. 1, 2024. Through our double-blind reviews and several initial criteria, we decided that your paper entitled “**Analysis of Public Sentiment Towards POLRI's Performance using Naive Bayes and K-Nearest Neighbors**” is **accepted** to be published in our June 2024 edition.

The journal aims to disseminate original, scientific, theoretical or applied research in Informatics Development. Work must be of a quality and big picture that the Editorial Board thinks it would be interested to an international readership. It is an international open-access journal published by Universitas Islam Negeri (UIN) Sunan Kalijaga Yogyakarta, Indonesia. The journal invites students, researchers, and engineers to contribute to the development of IT in the world. Its scope includes (but is not limited) to the following: Software Engineering; Intelligent Systems; Networking; Information Systems; Education, engineering and technology relating to informatics for development. IJID has obtained Indonesian Journal Accreditation Sinta 3 and we are currently in the process of applying for Scopus indexation.

Should you require more information about the journal, please visit our website or contact our editors. We look forward to meeting your future submission.

So, these notices we made.

Upon his attention and cooperation, we thank you.

Best Regards,

Assoc. Prof. Dr. Muhammad Anshari
Editor-in-Chief
