

## BUKTI KORESPONDEN

The screenshot shows an email client interface. At the top, there is a navigation bar with icons for Back, Archive, Move, Delete, and Spam. Below this, the email title is "[JPTCP] Submission Acknowledgement" and the sender is identified as "susilo/Inbox". The email header includes a circular logo with the letter 'J', the sender's name "Journal of Population Therapeutics and Clinical Pharmacology", and the date and time "Wed, Nov 23, 2022 at 11:55 PM". The recipient is listed as "To: Susilo Susilo".

The main body of the email contains the following text:

Susilo Susilo:

Thank you for submitting the manuscript, "Metabolites Profiling and Biological Activities of Volatile Compounds of *Ruellia tuberosa* L. Leaves by GC-MS" to Journal of Population Therapeutics and Clinical Pharmacology. With the online journal management system that we are using, you will be able to track its progress through the editorial process by logging in to the journal web site:

Submission URL: <https://jptcp.com/index.php/jptcp/authorDashboard/submission/1197>  
Username: susilo

Please note that starting May 1, 2019 the **Journal of Population Therapeutics and Pharmacology** (JPTCP) will charge an Author Processing Fee (APC) of US \$850, upon acceptance of the article. Articles will go through a thorough peer review process, benefit from high quality editing, and will be posted on-line for greater exposure, typically within 60 days of acceptance. Articles are archived on the journal web site and through Portico. All articles will also be included in PubMed and MEDLINE data base, Thompson Reuters Emerging Sources Citation Index and Scopus.

If you have any questions, please feel free to contact me. Thank you for considering this journal as a venue for your work.

Dear Author,

It is my pleasure to inform you that your manuscript titled "Phytochemical Profile-Based GC-MS Analysis of *Myristica fragrans* Houtt. Seeds from Different Growth Stages" has been accepted for publication in Journal of Population Therapeutics and Clinical Pharmacology (ISSN 1198-581X, eISSN 1710-6222).

It shall be published in the upcoming issue after the payment of article processing fee.

Regards,  
Editorial Office,  
JPTCP
