Dear **Tri Wintolo Apoko** (Corresponding Author),
Alfaruqi Alalwani Dunggio & Su Li Chong

Thank you very much for submitting your manuscript entitled, "Mobile-assisted language learning through duolingo in improving vocabulary mastery: students' perceptions." to our scholarly journal, English Review: Journal of English Education (ERJEE), which is indexed and abstracted in DOAJ (green thick), Sinta 2, Crossref, etc.

Our reviewers have reviewed and decided to accept and publish your manuscript in ERJEE Volume 11, Issue 1, February 2023. We will notify you after the issue has been published.

The following are the results of the review of our two reviewers.

Reviewer 1:

1. In the Introduction section, it should contain STATE OF THE ART (the latest development in the research topic), RESEARCH GAP, NOVELTY and BURNING ISSUE.
2. Reformulate your title which reflects your research findings.
3. The number of recent references (last 5 years) must be at least 30 references. We will reject manuscripts with less than 30 references and 80 percent of the references are scientific journals.
4. In the section of Results and Discussion, I suggest you make a matrix(s) and/or an axial coding(s) as one of the "powers" of qualitative research design. By doing that, your research findings will be more powerful.

Reviewer 2:

1. Please consistently observe the citation format of APA 7th edition
2. In Introduction, state explicitly "Why is this study important to be investigated?"
3. Your findings need more elaboration.
4. Make sure your manuscript has no grammar mistakes.
5. We recommend that all quotes are paraphrased using your own words to avoid plagiarism.

Please revise all of the suggested parts of reviewers, and send it no later than 25 January, 2023.
