

Mohon Maaf Bukti korespondensi dengan jurnal tidak ada, dikarenakan artikel ini dimasukan ke dalam jurnal JIFI karena menjadi artikel terbaik pada saat pelaksanaan kegiatan seminar POKJANAS TOI di ke 49 di Fakultas Farmasi Universitas Pancasila pada tanggal 21-22 oktober 2015, sehingga sebagai bentuk penghargaan salah satunya kami diberikan kesempatan masuk ke jurnal JIFI secara free dan juga hadiah external hardisk. Sehingga tidak ada korespondensi secara email hanya via WA saja. Terima kasih

Berikut kami sertakan bukti keikutsertaan kami di POKJANAS TOI

Note: Prosiding berikut tidak kami masukan dalam pengajuan kepangkatan, hanya yang publikasi pada jurnal JIFI .

PREFACE

The 49th Pokjanas TOI International seminar has been scheduled organized by the Faculty of Pharmacy University Pancasila in collaboration with Pokjanas TOI Organization at Jakarta, Indonesia, 21-22 October 2015. Which is aimed to share information, findings and collaboration between researches, pharmacists, institution and natural product industries.

Finally we were able to publish the proceedings and it is now ready for circulation among the researchers, industries, and scientists. This proceeding is consisted of 43 titles manuscripts which were presented as oral and poster in seminar. The topic of manuscript contain many fields including natural product chemistry, analytical technique in phytochemistry, biological activity, pharmacological study, herbal drugs and formulation..

The Organizing Committe gratefully acknowledges the Rector of University Pancasila, Pokjanas TOI Organization, as well us all sponsors in bringing forth this seminar. Furthermore, personally, I would like to express my deep apreciation to the members of the Organizing Committee, for the good teamwork and their great effort to bring success to the seminar.

Jakarta, November 2015

Chairman of Committee
