FOREWORD

The editorial praise goes to the presence of Allah SWT. God Almighty, thanks to whose grace and guidance the MATRIK Journal volume 22 no 2 edition of March 2023 can be completed. This issue presents publications of research results in Information Systems, Intelligent Systems, and Computer Networks. In addition, studies on learning technology based on previous research results are also presented. The editor would like to thank the parties who have contributed their thoughts so that the publication of the MATRIK Journal volume 22 no 2 edition March 2023 can be realized. The editor hopes that the research results presented in this publication can be helpful for readers, especially the academic community.
