Dear Ms. Al Azizah:

Your submission entitled "Dataset on the determinants of willingness to continuously use financial technology among Indonesian university students" has been received by Data in Brief.

However, before we can proceed with the review process we ask you to address the following:

1. Ethics section: We require a statement to confirm informed consent of all participants has been obtained. As with all research studies, ethics approval from an appropriate IRB/local ethics committee must be obtained prior to conducting the study. Please include the IRB approval number. In settings where ethics approval for survey studies is not required, authors must include a statement to explain this in the "ethics statement" section.

2. Materials and methods: Please provide details of how the data was collected, how the sampling was done.
