Dear Dr. Hamzah P. Ilyas,
Congratulations! Due to some technicalities with a previous author, we are happy to decide that your 'waiting list article' will be relocated to our December 2018 issue.
Please transfer the amount of Fast Track review of Rp 1.500.000 to our bank account.
Please also fill in some of the missing details based on our reviewers' comments attached.
We hope to have your speedy cooperation within TWO days from today.
Thank you,
Ekawati

Dear Ms Ekawati,
I'd like to confirm the publication and agree to be inserted in the waiting list. Please find attached the declaration form. Unfortunately I cannot do payment until December 25, 2018 since I have no access to ATM and internet during campus holiday. Is it possible for me to pay on December 26, 2018? and I'll soon send the scanned proof of the payment if it is possible.

Thank you.
Kind regards
Hamzah Puadi Ilyas

Dear Dr. Hamzah P. Ilyas,
Normally, articles will need one year within the system before we go ahead and find a reviewer to read and comment on. Please see the notes within the publication process in our system. This is the reason why you are seeing the information, which states "in review" but could not download your own article in full.
We are currently preparing the publication of December 2018 with a list of authors to confirm on the publication within three days from today. If there is an author that does not confirm within the time frame that we are asking for, your article will be listed as one of those to replace. If you agree to be inserted in the waiting list, then we ask your agreement to go for a "Fast Track Review" process. The publication fee for this process is Rp 1.500.000 Please fill in the attached declaration form for us to process either for the December 2018 (with the conditions as stated above) or July 2019 at the quickest.
Thank you for contacting us.
Yours,
Ekawati

Dear the editors,

More than a year ago I submitted an article titled "The Quest for Critical Thinking Framework in ELT." I noticed the article appeared in Vol 18 No 2: 2018 (in process) without the downloadable-PDF file; however, I no longer find the article in the volume.

I'd like to have your information whether CELT cancels the publication of the article in the volume or rejects the article.

Thank you very much

Best regards
