OR 3 Articles	<input type="checkbox"/>	OR	4 Articles	<input type="checkbox"/>

8. When do you expect the student completes his/her study?
(Please state your best estimated time (Month and Year))

9	2023
---	------

9. Please describe any salient comment(s) you would like us to be aware of regarding the student's academic progress

Akbar has made progress with revising his data collection tasks. He is in the final stages of developing the tasks and should start collecting data imminently. However, as indicated in my previous report, he is behind schedule due to considerable delays during 2020 as a result of the the pandemic. I recommend that he be allowed extra time to complete his thesis.
