July 30, 2024

To Whom It May Concern,

This letter is to certify Dr. Deni Adha Akbari an active reviewer for the journal *PLOS ONE*. They have reviewed 12 papers for *PLOS ONE* since February, 2024.

*PLOS ONE* ([plosone.org](https://plosone.org)) is a scholarly, peer-reviewed journal published by the Public Library of Science (PLOS), a leading not-for-profit publisher of Open Access journals. The journal launched in 2006 and its editorial criteria focus is on the technical quality of the work rather than on any subjective judgments, such as perceived impact or relevance to a specialist field. *PLOS ONE* rigorously peer reviews original scientific manuscripts; we seek evaluations by reviewers with research expertise in the scientific area covered in the manuscript.

We are grateful to Dr. Deni Adha Akbari for Their contribution to *PLOS ONE*.

Please do not hesitate to contact us at [plosone@plos.org](mailto:plosone@plos.org) with any questions or inquiries you may have.

Yours faithfully,

A handwritten signature in black ink, appearing to read "Emily Chenette".
