Dear Editor,

Thank you for the confirmation, I hope there will be no problems regarding the manuscript that I have submitted.

I am currently applying for a position as a professor, but the assessment deadline is only until September 2024, and I am required to publish one additional manuscript in an international journal indexed by Scopus.

I hope my manuscript can be published in vol. 13 no. 4 in the *Evolutionary Studies in Imaginative Culture (ESIC)* so i can complete my requirements.

I really hope that my manuscript can be processed and receive a positive response. Thank you very much for your cooperation.

Best Regards,
Dr. Hamid Al Jufri
