Judul: Effect of *Apium graveolens* Extract Administration on the Pharmacokinetics of Captopril in the Plasma of Rats

The screenshot displays an email client interface. At the top, there is a search bar with 'Sc' and a close button, followed by navigation icons (back, forward, refresh, etc.) and a profile picture of a woman. The main content area shows an email from 'Submission System' dated 'Sun, Jan 21, 2018, 7:58 AM'. The subject is '[Sci. Pharm.] Manuscript ID: scipharm-269567 - Manuscript Uploaded'. The body of the email contains a message to Mrs. Siska, thanking her for uploading a manuscript to the MDF submission system. It lists the journal name as 'Scientia Pharmaceutica', the manuscript ID as 'scipharm-269567', the type as 'Article', and the title as 'Effect of Apium graveolens Extract Administration on The Pharmacokinetics of Captopril in Plasma Rats'. The authors listed are Siska Siska, Mun'im Abdul, Anton Bahtiar, Fransiscus D. Suya. The email also includes the date received (21 January 2018), email addresses, and a link to track the manuscript's progress.
