Assalamu'alaikum warahmatullah wabarakaatuh

We are glad to notify you that the English Language Education Study Program at Universitas Ahmad Dahlan will host the International Undergraduate Conference on English Education (IUCEE) on June 2-3, 2025.

We consider it an honor to expand our relationship with that event. We would be happy if Mrs. Roslaini could attend the conference and offer your knowledge as one of **panel speaker** on the topic "AI, Deep Learning, and Human Cognition: Transforming the English Language Teaching and Learning." Your expertise would be a contribution to our program.

We are looking forward to hearing your response.

Wassalamu'alaikum warahmatullah wabarakaatuh
