

4th International Conference on
Primary Care and Public Healthcare
May 07-08, 2026 | Kuala Lumpur, Malaysia

December 05, 2025

Letter of Invitation

To,
Dr. Emma Rachmawati, BSc., MPH
Faculty of Health Sciences,
University of Muhammaadiyah Prof.DR. HAMKA
Indonesia

We are pleased to extend our sincere appreciation for your continued association with our conference. We are delighted to officially recognize you as a **Reviewer** for the **4th International Conference on Primary Care and Public Healthcare**, scheduled to be held from **May 07–08, 2026, in Kuala Lumpur, Malaysia**.

As a Reviewer, your primary role will be to evaluate the submitted abstracts and ensure the scientific quality and integrity of the conference program. You will receive a few assigned abstracts to review and are requested to provide brief feedback (2–3 lines) for each submission, focusing on originality, relevance, and methodological soundness.

Your contribution will help maintain the high academic standards of the event and guide the selection of impactful research for presentation.

Your valuable contribution will be formally acknowledged on the conference website under the **“Review Committee Member”** section, and you will receive a Special Certificate of Appreciation in recognition of your efforts at the end of the conference. Additionally, outstanding reviewers will be featured in the post-conference highlights report as part of our recognition of academic excellence.

We truly appreciate your willingness to contribute your time and knowledge toward the success of this conference. Please feel free to reach out for any further coordination regarding the review process.

Regards

Conference Manager | Primary Care 2026

Peer review is a fundamental part of publishing. On behalf of the Editorial team, we appreciate the voluntary contribution that each reviewer gives to the Journal. We would like to extend our appreciation and sincere thanks to you for making it possible for us to publish the highest quality content by providing your rigorous clinical, scientific, or methodological expertise. We hope that we may call upon you again to review future manuscripts.

Yours sincerely,

Jennifer Thomas, Associate Publisher
