Dear Editors,

Please note that I have paid for the article entitled "**A COMPARATIVE METABOLITE ANALYSIS OF PANDANUS AMARYLLIFOLIUS LEAVES FROM DIFFERENT GROWTH STAGES USING GC-MS AND THEIR BIOLOGICAL ACTIVITIES**" in lieu of the previous manuscript.

And I attached the proof of the transaction and I sent the last manuscript which I revised because there were some language errors. Please use the attached manuscript for publication.

Thank you

Regard,

Susilo, M.Si
